

Thomas Stegemann

Archiving

GWAVACon

A large, semi-transparent green silhouette of an insect, likely a fly or a similar pest, centered on the slide. The insect has long antennae and six legs.

Why?

Did you know...

GWAVACon

..., that 60% of all business relevant information is stored in email systems?

Features

GWAVACon

- Easy to use Web Interface
- Extensive Database Support
- Document Management Integration
- Migration Tools for
 - GroupWise Archives and other Archiving Solutions
- Policy Based Retention
- Extensive Search Capabilities

Product Features

GWAVACon

- GroupWise Retention Support
- Integrated with SOAP-API
- Stubbing Support
- Single Instance Store
- Multi-Platform Support
 - GroupWise: NetWare, Linux, Windows
 - Retain Server: Linux, Windows

Security

GWAVACon

- IP-based Solution
- SSL Encryption possible
- Storage Encryption possible (AES)
- GroupWise User Authentication
- NetApp SnapLock, Hitachi Content Archive Platform & Centera Storage Solution

Retain 1.8

GWAVACon

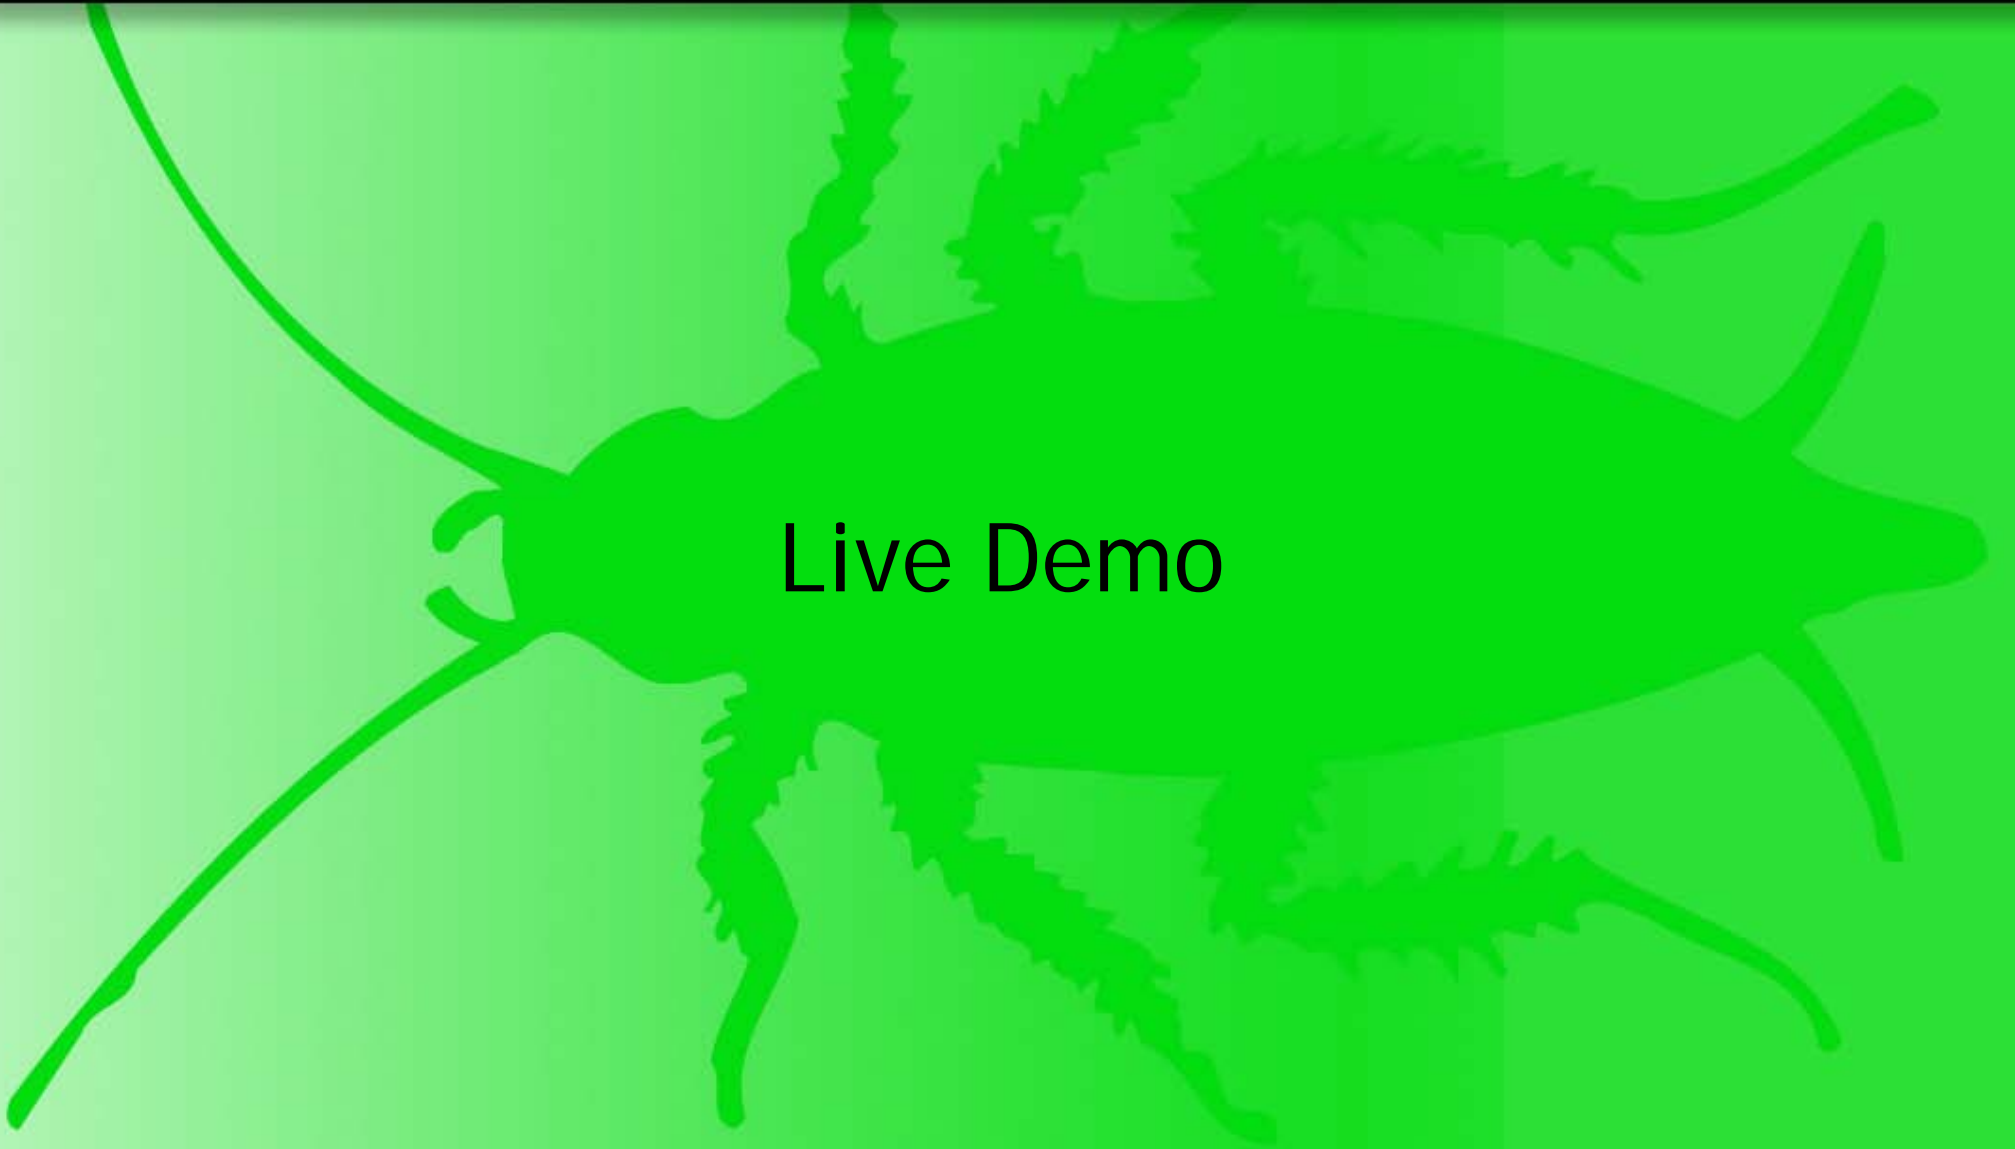

- SLES 11, Windows 2008
- SQL 2008, MySQL 5.1, PostgreSQL 8.4
- Caringo CASTor Storage
- Export to PDF
- Restore Stub feature
- WebAccess Integration
- Single Sign On WebAccess and Client plugin
- Quick View
- Cumulative Selections
